REPENT AMERICA NOW:FOR THOSE WHO HAVE EYES TO SEE 'THE HYPERSONIC JUDGEMENT OF HYPERSONIC MISSILES' WILL GIVE ,MYSTERY BABYLON-USA A LESSON ON WHAT 'A TRUE NEW YORK MINUTE LOOKS LIKE'

"For great is the Lord who judges her" is a phrase directly from the Bible, specifically Revelation 18:8, which describes the ultimate judgment and destruction of a symbolic city called "Babylon," representing a corrupt and wicked system, stating that God's power is immense and he will ultimately bring justice upon her.

Key points about this verse:

"Babylon": In the context of Revelation, Babylon is often interpreted as a representation of any powerful, morally corrupt system, not only a literal city.

"Judges her": This signifies God's act of bringing judgment and punishment upon Babylon for its evil deeds.

"Great is the Lord": This emphasizes God's power and authority to carry out this judgment.
